

God Sees the Big Picture

by Janet Gehlhar

Life gets too crazy and confusing for me sometimes. I plan out how things should go, but rarely do they work my way. I'm convinced that my effort to control my day makes God chuckle. But then I picture my brain as the size of a pebble, while God's brain is as huge as a boulder. How can I even begin to comprehend God and His plan for me? My life is like a jigsaw puzzle where I'm seeing 3 pieces and God sees all 500.

Isaiah 55:8-9 states . . . *For my thoughts are not your thoughts, neither are your ways my ways," declares the LORD. "As the heavens are higher than the earth, so are my ways higher than your ways and my thoughts than your thoughts."*

This is one of my favorite passages. When I'm overwhelmed, I read this and remember that I can't fully comprehend God's plan, but I can be at peace because He sees the whole plan and He is working things for my good.

Today I'm going to go with the flow and see what God has in store for me.
